7080/4RG Proof Mercury Lite

Ambulance cot in aluminium with variable height and four swivel castors

FEATURES

Our "Mercury Lite" stretcher is available in the 4 swivel castors version, ensuring excellent manoeuvrability. This device is ideal for narrow spaces. The two front castors can be unblocked by means of an intuitive mechanism. They can revert to their original non-rotating position. The fastening of the stretcher inside of an emergency vehicle is ensured by our certified product 955 Proof (see "Fixing Systems"). The stretcher is supplied with mattress, straps and object holder.

**Device certified according to the European harmonized safety standards UNI EN 1865 – UNI EN 1789.**

Device certified according to the European harmonized safety standards UNI EN 1865 - UNI EN 1789.
