

630/N Maxima

Black painted anti trauma scoop stretcher

FEATURES

Keeping the very same features of Art.630, thanks to a special paint (designed for optimal durability), this stretcher can be used to differentiate operators or a specific area of operation.

Device certified according to the European harmonized safety standards UNI EN 1865 - UNI EN 1789.

- Effective hooking and unhooking device to open/close the stretcher.
- Adjustable length with automatic locking device.
- Bag with n. 3 quick unhooking safety belts to immobilize the patient (603/MEB).
- Easy arrangement inside the ambulance when folded.
- Completely built with light-weight and sturdy aluminium.
