

7300 MeBer-X

"MeBer-X" Multi-level stretcher complete with mattress and belts

FEATURES

MeBer-X, our "X" frame multilevel stretcher, is part of the new White Line and has been designed in order to make the loading, unloading, lifting and lowering of the patient operations simpler and more ergonomic.

The main feature is the 9-height adjustment that facilitates transhipment and manoeuvrability in any condition. Made of a special aluminium alloy, the stretcher has a load capacity of up to 320 kg, which guarantees maximum safety even for the transportation of bariatric patients.

Unique features:

- 4 swivel castors with a diameter of 200 mm;
- washable and sanitisable aluminium bed;
- adjustable backrest from 0 ° to 80 °, lockable in any position;
- Trendelenburg and Fowler configuration;
- retractable loading trolley.

To be combined with the article code: art. [19162](#) MTX-2-X.
