

16150-001

Winch bag for Ergon

FEATURES

Designed to facilitate rescue operations, this case for the Ergon scoop stretcher ensures maximum operativity in hostile environment. Equipped with 4 shoulder-straps. The Ergon stretcher (disassembled) fits with all of its accessories inside of the case, strongly reducing its volume. The EN566 hook in the centre ensures safe winch operation. Size: cm 124x32x16
